

Cornell University undergraduates and alumni united on June 23 to honor the memory of Ezra Cornell, who founded the institution fifty years ago. The unveiling of a statue to him was one of the features of the occasion.

La-May Face Powder

Is Harmless to the Most Delicate Skin

We again remind you that you can now use a face powder that positively will not cause enlarged pores, blackheads and irritations. In fact, while it is considered the best face powder, it is also a remedy for complexion troubles. It is guaranteed pure and really harmless to the most delicate baby skin. It beautifies the complexion wonderfully because it helps to clear and lighten the skin and protect the complexion from blemishes. This new kind of face powder is made largely of an ingredient that skin specialists use in the treatment of the complexion. And, it really stays on better than any other face powder. Of course, after saying this, every one will know we are speaking of the famous La-May powder (French Poudre

L'Amé). This is the powder that does not contain starch or rice powder or dangerous white lead to make it adhere. White lead is a deadly poison and rice powder turns into a sticky paste that encourages enlarged pores, blackheads and rice powder irritations. Because La-May is so pure and because it stays on so well it is now used by over a million American women. The large size is only fifty cents. Most dealers also carry the small trial size. Be sure to try La-May. You will really never know a perfect face powder until you use it. You will be sorry if you take a substitute. When you use this improved powder and see how beautifully it improves your complexion, you will understand why La-May so quickly became the most popular beauty powder sold in America.

It certainly does pay to gain the good will of guests by rendering them good service at whatever cost.

The Belleclaire over a period of years has established many warm friendships among very high-class Cuban and Mexican people.

They have told their friends about the home accommodation they get at the Belleclaire—also the good eating—therefore, during the past month and a half we have entertained very many of these charming people—and more are to come during the remainder of the summer.

You know, of course, that the Belleclaire is located in the greatest Summer Resort in the world—that section of New York bounded on the East by Central Park West and on the West by the Majestic Hudson.

No trouble to sleep the hottest night, in the Belleclaire's spacious rooms, and one can always dine with us in absolute comfort.
